The Children's Trust Fund is a registered charity operated by NewCap Broadcasting through its Halifax Radio Stations Q104 "The Home of Rock & Roll" & KOOL 96.5 FM "We Play Anything!" The mission of the charity is to provide financial assistance to children who find themselves in critical need due to a medical condition or other unfortunate circumstances in order to help them with medicine and therapeutic supplies. The Children's Trust Fund assists children up to the age of 18.

Categories of need are defined as any financial requirement stemming from a medical treatment recommended by a physician or therapist, including expenses for medicines not covered by MSI, remedial apparatus, therapy and travel to obtain treatment, quality of life needs relating to proper development, assistive technology as required, and funds required for clinical development education. In many cases, a relatively small amount of money can have a very significant effect.

For example - some recent gifts include:

- Ken B., \$125 for a neck brace.
- Kaitlyn H., \$600 for medication.
- Sara K., \$1,135 for hearing aids.
- Jessica D., \$106 for a Medic-Alert Bracelet
- Brandon M., \$200 for specialized therapy.
- Connor G., \$968 for a mobile tilt wedge seat kit.
- Braedon L., \$190 for medication.
- Drew M., \$203 for partial funding for medical equipment.
